RENEWED RESPONSE TO DECISION ON PETITION

SIR:

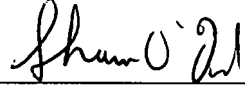

In response to the Decision on Petition mailed 28 March 2007, a renewed request for issuance of a certificate of correction with petition under 37 CFR 3.81 was filed on 17 April 2007. Despite the fact that all the required items were submitted, the certificate of correction issued without the requested correction of the assignee information.

The undersigned's paralegal has been calling Patricia Faison-Ball on 10, 13, 17, 21 and 22 August 2007 and left a message to call back. No one from the Petitions Office has yet called back. It is respectfully requested that a new certificate of correction with the correct assignee information be issued.

Since the fees for the certificate of correction and the petition have already been charged, there should be no additional charge for correcting the error which was included in the original certificate of correction.

Copies of the Request for Certificate of Correction and Petition and the certificate of correction are enclosed, together with the stamped filing postcard.

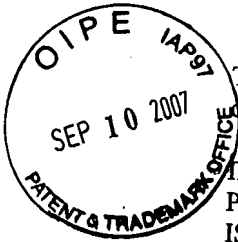

Respectfully submitted,

Shawn W. O'Dowd
